

# Lodestone Summer Art Program 2019

Students will be introduced to a variety of art movements, artists, mediums and styles!  
Students will have the opportunity to create two projects each session to take home!

## Grades K-3

Sessions structured for younger students They will create projects that are fun and playful, while practicing motor skills!

Classes held on Mondays from 1-3pm!

## Grades 4-8

Sessions structured for older students who will create fun art pieces that will give them a greater appreciation for art as well as techniques and mediums that can be used for future projects!

Classes held on Wednesdays from 1-3pm!

## Cost:

\$25 per class, \$70 for 3 classes, \$100 for 5 classes, or \$180 for all ten classes!!!

## Session Schedule:

### **Week 1 (6/10 and 12)**

**Movement: Cubism.**

Mimicking the works and styles of Mondrian and Picasso!

### **Week 2 (6/17 and 19)**

**Medium: Watercolors.**

Mixing science and creativity to find there's more to painting other than brush to paper!

### **Week 3 (6/24 and 26)**

**Artist: Vincent Van Gogh.**

Creating the illusion of motion our art masterpieces!

### **Week 4 (7/1 and 3)**

**Styles: Modern Art and Sculpture.**

Creating our own zany, miniature masterpieces!

### **Week 5 (7/8 and 10)**

**Movements: Pointillism and Dot Art.**

Imitating the works and styles of Seurat and Kusama!

### **Week 6 (7/15 and 17)**

**Medium/Focus: Food.**

Playing with food! (And creating some "delicious" pieces too!)

### **Week 7 (7/22 and 24)**

**Style: Mosaics.**

Building works of art, literally piece by piece, just like Cavallini!

### **Week 8 (7/29 and 31)**

**Medium: Yarn.**

Using this fun, fuzzy string for art, not knitting!

### **Week 9 (8/5 and 7)**

**Movement: Pop Art.**

Replicating the zany art style of Warhol, Lichtenstein, and Haring!

### **Week 10 (8/12 and 14)**

**Medium: Tissue Paper.**

Making masterpieces with this colorful and delicate paper!
